## Introduction

### *Respect – Passion – Positivity*

These are the core values of the Trackmania World Tour defined in Section 2 of this rulebook (“**Trackmania World Tour**”). Through these values, NADEO SASU (“NADEO”) and its mother company UBISOFT Entertainment SA (“UBISOFT”), wish to operate Trackmania at the forefront of the esports industry, providing an environment for players and organizations alike to thrive. Through high standards only can we build an inclusive and fair ecosystem where discipline, hard-work and results are rewarded.

It is the responsibility of each individual or organization participating in the Trackmania World Tour to uphold these values, whether they are from NADEO/UBISOFT, a competing organization, a production entity or independent on-screen talents.

This rulebook applies within the context of the Trackmania World Tour and to any of its affiliated events. This rulebook aims at providing and codifying a structured and consistent set of global rules and standards enforceable across all levels of competition for everyone and every organization partaking in the Trackmania World Tour, and in particular the Teams (the term “**Team**” refers to the legal entity which is granted a license to compete in the Trackmania World Tour). Participation in any competitions part of the Trackmania World Tour is conditioned to the acceptance of the following rules and standards (collectively the “**Rules**”):

- The Specific Rules issued by each Tournament Organizer for each competition part of the Trackmania World Tour, which will be provided or made available in advance by the applicable Tournament Organizer (the “**Specific Rules**”); and
- The UBISOFT “[Code of Conduct: The way we play](#)” establishing a set of core guidelines that all players, partners, and employees must follow when participating in activities associated with UBISOFT’s products or services, both online and offline (the “**Code of Conduct**”)
- The [Trackmania Code of Conduct](#) setting forth the acceptable behavior of each and any player playing the game Trackmania (the “**Trackmania Code of Conduct**”) and
- The privacy notice provided for in **Section 8.3** titled “**Privacy**” of the Rulebook, shall also be read carefully in order to participate in the Trackmania World Tour. If any questions arise regarding the way NADEO/UBISOFT processes Personal Data as part of the Trackmania World Tour, please contact UBISOFT’s Data Protection Officer: [here](#)

Any capitalized term in this Rulebook which is not listed above shall have the meaning ascribed to these terms in the Rulebook.

### 2.4.1 Point Distribution

5th	70	18	5	2	8
6th	70	18	5	2	7
7th	50	12	5	2	6
8th	50	12	5	2	5

### 2.4.2 Tiebreaker rules

The following tiebreaker rules shall apply to resolve ties in the event that multiple teams have the same number of points in the Global Point System at the conclusion of the last Stage of a Season, in order to determine the Teams directly qualifying for the World Championship and/or the World Championship Wildcard.

#### 2.4.2.1 Application of the Tiebreaker rules

These tiebreaker rules act sequentially. If there is a set of tied Teams, and a rule is able to break at least part of the tie, this rule is applied, and we move-on to the next rule to break the remaining tied teams. (i.e.: if there are three teams tied and the first rule is able to break the set of three

tied Teams into one singleton and a pair of two Teams who remain tied then the tie is broken for the singleton Team and the other two Teams proceed to the next tiebreaker rule in order to break their tie if needed, and so on).

#### **2.4.2.2 Head-to-head record**

If two or more Teams have the same number of points in the Global Point System, the first tiebreaker is head-to-head records. To calculate the head-to-head tiebreaker, the Teams who are tied are listed, then total number of wins, ties, and losses that each Team has against the other Teams involved in the tie is calculated. The Team who has the best win-rate among the set of tied Teams qualifies.

#### **2.4.2.3 Tiebreaker Match**

If the previous rule was not able to resolve the ties, an additional tiebreaker match will be scheduled between the tied Teams at a moment decided by the Tournament Organizer. The Team that wins the tiebreaker match will qualify.

### **2.5 Trackmania World Tour Format and Schedules**

#### **2.5.1 Grand League and Challenger League, Format and Schedule**

**Format.** For each Stage, there is one Regular Season and one Playoffs.

**Regular Season.** Regular Season comprises seven playdays of four matches each. The tournament Format will be best-of-seven (BO7) Round Robin meaning that each team will play the other Team once during the Stage.

At the end of the 7<sup>th</sup> playday, the six Teams with the best win/loss ratio qualifies to the Playoffs described below. The following Tiebreaker rules shall apply to resolve ties if multiple Teams have the same win/loss ratio at the end of the Regular Season:

- Map Difference
- Head-to-Head
- Tiebreaker Match

These Tiebreaker Rules act sequentially. If there is a set of tied Teams, and a rule is able to break at least part of the tie, this rule is applied, and we move-on to the next rule to break the remaining tied Teams.

**Playoffs.** Playoffs is a Specific Double Elimination bracket where the first and second seed starts in the upper part of the bracket and the third, fourth, fifth and sixth seed begin their playoffs in the lower part of the bracket.

- **Every upper bracket game is played in two sets of Best-of-7.** In the case of having each Team winning a Best-of-7, a decider track will be played after a pick and ban sequence, except for the Grand Final where the Team coming from the upper part of the bracket will start with a free Best-of-7 win. If the other Team wins the second Best-Of-7, a third Best-of-7 will be played.
- **Every lower bracket game is played in two sets of Best-of-5.** In the case of having each Team winning a Best-of-5, a decider track will be played after a pick and ban sequence.

### 3. Conditions for participation

#### 3.1 Team Licenses

**Grant of License.** Teams competing in the Trackmania World Tour will be granted a license, for the duration of the Season as long as the Team complies with the Rules and is duly qualified to participate in the Trackmania World Tour and meets the eligibility requirements of the Rulebook (the "License").

The License grants the Team with ownership of the competition slot within the Trackmania World Tour which entails:

- Authorization to compete in tournaments of the Trackmania World Tour, as long as such Team is qualified to participate to such portion of the Trackmania World Tour in accordance with Section 2.3.2 of this Rulebook; and
- Authorization to qualify and participate to World Championships and World Championship Wildcard based on the Team's performance, as described in Section 2.3.2 of this Rulebook; and
- Right to operate Transfer of Players in accordance with Section 4.5 of this Rulebook; and
- Eligibility to be paid prize money in accordance with the Team's results; and
- Right to request a transfer of license, conditioned to UBISOFT and/or NADEO's approval in each instance as set forth in Section 3.1.3

**License Holder.** A material condition for a team to be granted a license is the appointment by the Team of a License Holder. This License Holder automatically becomes the Team's official Point of Contact with the NADEO/UBISOFT Esports Manager. The License Holder is the only person authorized to act as a representative of the Team, and exercise the prerogatives attached to the License. For any team competing in Grand League & Challenger League, the License Holder cannot be a Player.

The License holder may appoint someone else from its organization as official Point of Contact for the Team (usually the Team's Manager). The Point of Contact can thereon execute all official communications on behalf of the License Holder (notifications and approval most notably, as specified in Section 8.7 and 8.8) but still requires the License Holder's final validation to execute operations. NADEO/UBISOFT reserve the right to request a change of Point of Contact should a team's Point of Contact not be timely responsive.

Any change of License Holder must be requested in writing (email being sufficient) by the License Holder to NADEO/UBISOFT's Esports Manager and shall be formally approved by NADEO/UBISOFT by email prior to its effectiveness.

### 3.1.1 License Requirements

**Legal Entity (Grand League and Challenger League).** All Teams competing in the Grand League and Challenger League must be represented by a legal entity (association, company ...) in order to be provided with a license.

Should a Team be promoted through the promotion/relegation system to the Challenger League, then such Team will have to comply with the obligation to be represented by a legal entity starting from the beginning of the season for such promotion to be effective. NADEO/UBISOFT may allow on a case-by-case basis a grace period of maximum sixty (60) days from the date of the promotion/relegation match if the Team faces a possible case of disqualification for absence of legal entity at the beginning of the season. This grace period may be provided by NADEO/UBISOFT in cases where failure to have the legal entity created stems from incompressible delays on which the team has no control over and despite the Team's best efforts to have the legal entity created in time.

Proof of such valid legal entity needs to be provided to the NADEO/UBISOFT's Esports Manager prior to any participation into the Trackmania World Tour.

### 3.1.2. Acknowledgement Letter (Regional Tournaments and Matchmaking)

As an exception to this rule, teams only competing in Regional Tournaments and Matchmaking may be represented by a Player or Team Staff of said Team provided that all Players agree to appoint this Player or Team Staff as their legal representative by executing the Acknowledgment Letter available in the Annex A (the "**Acknowledgement Letter**").

The duly executed Acknowledgement Letter, needs to be provided to the NADEO/UBISOFT's Esports Manager prior to any participation into the Trackmania World Tour.

### 3.1.3 Conflict of Interest

Prior to any participation into the Trackmania World Tour and at the time of its registration and/or upon NADEO/UBISOFT's Esports Manager and/or Tournament Organizer Administrative Staff request, each Team must provide an "absence of Conflict of Interest" statement certifying that the Team is not facing a Conflict of Interest. A "Conflict of Interest" may include, but is not limited to:

- (i) Joint Control of multiple teams, or any form of interests in multiples teams in the Trackmania World Tour. For purpose of this definition in this present Section 3.1.1 (i), "Control" means:
  - The possession, directly or indirectly, of the power to vote five percent (5%) or more of all interests having voting power for the election of Team owners or any Team representative.
  - The ownership of a general partnership interest or a limited partnership interest (or other ownership interest) representing ten percent (10%) or more of the outstanding limited partnership interests or other ownership interests of such Team.
- (ii) A situation where a Player or a Team Staff (such term being defined in Section 4.1) is an employee, officer, director, agent, contractor or subcontractor performing services or work in connection with the Trackmania World Tour, or representatives of NADEO/UBISOFT or of the Tournament Organizer and/or of any person or other entity which own or Control, is under the ownership or is under common ownership or Control of NADEO/UBISOFT or the Tournament Organizer. "Control" under this present Section 3.1.1 (ii) shall mean the power, through any means, to determine the policies or management of an entity, whether through the power to elect, appoint or approve, directly or indirectly, the directors, officers, managers or trustees of such entity or otherwise.

- (iii) A situation of collusion where a Player or Team Staff is in a position in which said Player or Team Staff could interfere and/or benefit financially or otherwise, directly or indirectly, from a decision to alter the outcome of a match and/or behavior of the Team within a competition of the Trackmania World Tour in a manner contrary with the integrity and competitive spirit of the Trackmania World Tour. A situation of collusion includes, but is not limited to, undisclosed agreement between two or more parties to deceive and/or mislead Tournament Organizer's officials and/or NADEO/UBISOFT Esports Manager or tampering the outcome of one or multiple matches in a competition of the Trackmania World Tour.

Any cluster of clues indicative of a Conflict of Interest identified by UBISOFT.

In the event of a failure to provide the aforementioned absence of Conflict-of-Interest statement, or in case of any misrepresentation or deceit on the facts alleged on this absence of Conflict-of-Interest statement, NADEO/UBISOFT may decide to revoke the license granted to the Team, in the condition set forth in Section **3.1.6 below**.

### **3.1.4 License Restrictions**

A license is only valid for a Season of competitive play in the Trackmania World Tour.

A Team can be granted more than one license at a time to compete in the Trackmania World Tour, and a Team may have more than one Roster per Region competing in the Trackmania World Tour.

If two Roster of the same Team are to face each other during the All-Stars Championship or any event related to the World Championships, then the Team must notify to UBISOFT NADEO's Esports Manager the Roster they'll select for that tournament. The additional Rosters will have to:

- Withdraw from the tournament or;
- Transfer the license to a new Team that has no participating Roster in the tournament. Creating a new Team is allowed.

In the case of a Team having more than one Roster participating in a Promotion/Relegation tournament, the Team must notify to UBISOFT NADEO's Esports Manager the Roster they'll select for that tournament. The additional Rosters will have to:

- Withdraw from the tournament or;
- Transfer the license to a new Team that has no participating Roster in the tournament. If any of the additional Roster promotes while the Roster chosen by the Team before the tournament doesn't, the additional Roster will not be able to transfer back the license with that Team for the following Stage.

### **3.1.5 License transfer**

**License transfer.** A License Holder validly holding a license for its Team can initiate a license transfer with another Team that does not yet hold a license, provided the acquiring Team complies with the Rules and in particular fulfils the conditions for participation set forth in **Section 3**.

Prior to any transfer, the License Holder shall notify NADEO/UBISOFT's Esports Manager of its intention to transfer its Team license and all proof of the acquiring team's eligibility (including the absence of conflict-of-interest statement and/or the Acknowledgment Letter if applicable) must be communicated to the Tournament Organizer officials and/or NADEO/UBISOFT. A license transfer will neither be valid nor enforceable unless formally approved by UBISOFT according to the Approval process set forth in **Section 8.7**.

For sake of clarity, a license transfer does not allow any roster change other than those permitted under **Section 4.5** below and are subject to the limitations set forth in **Section 3.1.5** below.

### **3.1.6 Effect of a license transfer**

When a license is transferred or exchanged, the acquiring team obtains the acquired Team's current Global Points in the Global Point System, and the acquired Team's ranking in the Global League, if applicable.

If a license transfer or exchange occurs while a prize pool payment is due to the acquired License Holder, then the right to such payment will be automatically transferred to the acquiring License Holder.

### **3.1.7 License transfer limitations**

As a condition for the license transfer or exchange to be valid, the acquiring License Holder must maintain the roster of players of the Team of the former License Holder until the opening of a new Transfer Window.

NADEO/UBISOFT shall have sole discretion to allow or decline a license transfer and may impose a specific timeframe and requirements regarding a contemplated transfer of license if required to ensure the continuity of its league operation and protect NADEO/UBISOFT's esports ecosystem integrity.

These additional requirements may require from the transferring and acquiring organization an obligation to provide documentation supporting the ability of the acquiring team to maintain the applicable Roster(s) of the transferring organization in compliance with the eligibility requirement of the Rules. If NADEO/UBISOFT reckon that the timing of a projected transfer is likely to create instability in NADEO/UBISOFT's league operation and continuity, NADEO/UBISOFT reserve the right to decline a license transfer or at its sole discretion.

Once the transfer is effective and approved by NADEO/UBISOFT. Changes to the Roster(s) can be made during the next transfer window set forth in **Section 4.5.3**.

### **3.1.8 License Revocation**

NADEO/UBISOFT reserves the right to revoke a license granted in case of major or repeated breaches of the Rules by any of the Team's Players or Team's Staff.

## **3.2 Player and Team Staff Eligibility**

### **3.2.1 Compliance with the Rules**

Players and Team Staff will be eligible and remain eligible to compete in the Trackmania World Tour with their Team as long as they agree to be bound to and abide by the Rules, and in particular comply with the eligibility requirements set forth in this **Section 3.2**.

### **3.2.2 Compliance with local labour and immigration laws**

Participation in any competition of the Trackmania World Tour is conditioned to the obtention, by each Player and Team Staff of any necessary official documentation (visas, work permits, governmental authorizations...) required to comply with applicable local laws where the competition of Trackmania World Tour is held.

NADEO/UBISOFT and/or the Tournament Organizer cannot be held responsible for the failure of a Player and/or Team Staff and/or Team's failure to secure any required documentation needed

to participate in a competition of the Trackmania World Tour in compliance with applicable law. Teams are responsible for providing to the Tournament Organizer operating a competition of the Trackmania World Tour with supporting document substantiating the compliance of their Players and Team Staff with Section 3.2.2, 3.2.3 and 3.2.4 at the beginning of each Season and no later than seven days prior to the Team's first official match of a Season in the Trackmania World Tour or during the Season whenever a new Player is acquired.

### **3.2.3 Age**

Each Player and Team Staff must be 16 years old or older, as stated on their official government issued documentations, at the time of their first match in the Trackmania World Tour in order to be eligible to participate.

Players between 16 years and the age of their majority in their country of residence shall have the Parental Authorization set forth in Annex B to NADEO/UBISOFT fully executed by their parents and/or legal guardian and provided to NADEO/UBISOFT upon request.

### **3.2.4 Residence**

Any Player competing in the Trackmania World Tour must reside in the Region such Player competes in (NCSA, EU, MEA or APAC). Additionally, NADEO/UBISOFT may add extra residency requirements in their Specific Rules for the Teams participating in their Regional Tournaments.

A Team Coach (as defined in Section 4.1 below) is allowed to perform his role from a different Region its Roster competes in for online competitions but must be physically present to perform its role for any competition taking place in an offline environment.

### **3.2.5 UBISOFT account in good standing**

In order to be eligible to participate in the Trackmania World Tour and throughout the entire duration of the Trackmania World Tour, Players and Team Staff may not own or use a UBISOFT account that is not in good standing. The notion of "Good standing" is construed in application of the Trackmania code of conduct and UBISOFT Terms of Use and such standing may be verified by UBISOFT from time to time.

Any sanction emitted by NADEO/UBISOFT on the UBISOFT account of a Player or Team Staff may translate into Sanction(s) in the Trackmania World Tour. Additionally, should any Player or Team Staff own or use another account that is not in good standing, any sanction to such account may translate into Sanction(s) in the Trackmania World Tour as well.

### **3.2.6 No competition suspension**

A Player and/or Team Staff may not participate or be involved in any competition of the Trackmania World Tour if such Player and/or Team Staff is subject to a competitive suspension issued by NADEO/UBISOFT or the Tournament Organizer of said competition, preventing such Player and/or Team Staff from participating in a competition of the Trackmania World Tour.

## **4. Team Composition & Transfers**

### **4.1 Players' roles & Roster Definition**

	<b>Definition</b>
License Holder	The License Holder is the person appointed by the Team to exercise the prerogatives attached to the License mentioned in the conditions set forth in <b>section 3.1</b> .
Players	The term "Players" refers to all players (Starters or Substitute) part of the Roster of a Team (collectively the "Players").

Substitute	A "Substitute" is a Player of a Team's roster. Any Team may register up to 1 Substitute per Roster (see section 4.3). A Substitute can replace one of the Team's Starters in a match as outlined in <b>Section 5.3.1</b> .
Support Staff	The term "Support Staff" shall mean any person employed or contracted by the Team whose role is to directly or indirectly assist the Players through their participation in the Trackmania World Tour. #### 4.2 Minimum Team composition

Each Team shall have the following Team composition at all times during the Season in order to remain eligible to participate in the Trackmania World Tour (roles can be cumulated unless specified otherwise):

- One License Holder; and
- Two Players; and
- One Team Manager who may serve as Point of Contact with the Tournament Organizer(s) and NADEO/UBISOFT for logistics and league operations purposes; and
- One Coach per Roster, supporting the Players during official matches. The status of Coach for a Roster gives the Coach the right to request to substitute one of the Starters with a Substitute of the Roster in an official match. In the event a Starter, due to exceptional circumstances, is not able to play an official match, with no Substitute for the Roster available for replacement, the Roster's Coach may request the ability to step-in temporarily as a substitute Player himself. A Coach may only step-in with the Tournament Organizer's approval and will not be allowed to step-in in case of non-compliance with all the eligibility conditions set forth in **Section 3.2**.

Having one Team Manager and one Coach per Roster is mandatory for any Team participating in Global Leagues and remains optional for the rest.

#### 4.3. Additional Team composition

A Team may have the following additional Team Players and/or Team Staff:

- A Team may register up to one Substitute per Roster. A Substitute cannot be registered in the Roster of another Team that is competing in the Trackmania World Tour.

#### **4.4 Insufficient number of Players and Stand-in Player**

If a Team is not able to have two Players participating in a particular match of the Trackmania World Tour, including through calling Substitute, or with its Coach stepping-in, the Team can exceptionally request to play with a Stand-In Player. A "Stand-In Player" is a person exceptionally authorized to compete in the Roster of a Team they are not registered in, for a limited period of time (a "**Stand-In Player**") and for the sole purpose of avoiding the Team being disqualified for breach of the Team composition requirements set forth in Section 4.2. Authorization for a Team to compete with a Stand-In Player is always subject to NADEO/UBISOFT and to the Tournament Organizer's approval and is subject to the following limitations:

- Stand-In Players must meet all eligibility requirements presented in Section 3.2. Exception can be made to the Residence eligibility rule Section 3.2.4) only for offline competitions, and subject to NADEO/UBISOFT and the Tournament Organizer's approval in each instance.
- A Stand-In Player cannot have been registered with another Team that has competed, in the last two Stages, against the Team they are standing-in for. This applies across all competitions of the Trackmania World Tour.
- A Stand-In Player cannot be registered in the Roster of another Team that is competing in the same competition he is asked to stand-in for.

#### **4.5 Player and/or Coach transfers and Roster lock**

##### **4.5.1 Transfer Rules**

Any transfer of a Player and/or Team Coach from one Team to another Team of the Trackmania World Tour, or any addition of a Free Agent Player, is considered a Player or Coach transfer. A "Free Agent Player" is an individual who is not registered in a Team competing in the Trackmania World Tour, whether in Regional Tournaments or Global Leagues ("**Free Agent Player**"). At the beginning of each Stage, Teams shall provide any documentation set forth in Section 3.2 for all new Players and/or Coach in their Roster (i.e., Players and/or Coach that weren't already part of said Team during the previous Stage) to the applicable Tournament Organizer.

All Teams competing in the Trackmania World Tour can only execute transfers during the pre-established transfer windows set forth in **Section 4.5.3** and subject to the limitations set forth in the **Section 4.5.4**. Any period outside of these transfer windows is considered a period of roster lock for those Teams, where no change to their Rosters is permitted.

For any transfer between 2 Teams competing respectively in Regional Tournaments and Global Leagues: It is of both Teams' responsibility to make sure the transferred Player or Coach is available for transfer during the Transfer Window applicable to the acquiring Team.

As a reminder, while competitions are ongoing, Teams must maintain a Roster of at least 2 players to remain eligible to compete in any ongoing competition they are registered for.

##### **4.5.2 Transfer Process**

Only License Holders are allowed to get in touch with other License holders in order to discuss and/or initiate transfer of Player(s) and/or Team Coach. License Holders are not authorized to reach out or contact any Players or Team Staff from another Team for the purpose of a Player

transfer.

A License Holder may delegate this right to discuss transfers by appointing one of his Team Staff as its representative for the transfer discussion and negotiation purposes on his or her behalf. Appointment of said Team Staff shall immediately be notified to NADEO/UBISOFT's Esports Manager and Tournament Organizer officials for the competition the Team competes in.

### 4.5.3 Transfer Windows

Transfer windows are timeframes during which License Holders may execute the transfer of a Player and/or Coach from one Team to another (the "**Transfer Windows**"). For sake of clarity, a License Holder may initiate a discussion and negotiation with another License Holder regarding an upcoming Transfer of Player outside of the Transfer Window, but the execution of such Transfer may only occur during a Transfer Window.

The Transfer Windows for Season 2023 is as follows:

Season 2022	Dates	Type
Mid-Season Transfer Window	From March 27 <sup>th</sup> , 2023, 9 AM CET until April 12 <sup>th</sup> , 2023, 9 AM CET	Mid-Season Transfer Window
Off-Season Transfer Window	From November 27 <sup>th</sup> , 2023, 9 AM CET until December 18 <sup>th</sup> , 2023, 9 AM CET	Off-Season Transfer Window

### 4.5.4 Transfer Limitations

#### 4.5.4.1 Mid-Season Transfers

All Transfer Windows, except the last one of each Season (starting in November after the end of the World Championship for that Season) are considered "Mid-Season Transfer Windows".

During a mid-Season Transfer Window, Teams can bring a maximum of one new Player and one Coach in their Roster.

In the specific case of a Global League Player replacement during the Mid-Season Transfer Window, NADEO/UBISOFT may at its reasonable discretion credit with Global Points the Team acquiring a Player that departing a Global League Team following a Player transfer, provided that such acquiring team is a non-Global League Team. In such case, the number of Global Points credited will be assessed by NADEO/UBISOFT on a case-by-case basis based upon that Player's performance during Stage 1 of the Trackmania World Tour.

#### 4.5.4.2 Off-Season Transfers

The last Transfer Window of each Season – starting in November after the end of the World Championship – is called the "Off-Season Transfer Window".

During an Off-Season Transfer Window, Teams can change the Coach and/or as many Players as they want from their Roster.

#### 4.5.4.3 Roster Registration and Global Contract Database

At the start of the Season and/or of any given Stage, each Team must provide to the Tournament Organizer(s) a list of information regarding its official Roster for the upcoming Stage of competition, as part of a Roster Registration process.

- For Players and Coach: legal first name, legal family name, UBISOFT ID, Trackmania UID, role (Player or Coach), country of residence, birthdate, and contract end date.

- For License Holders: legal first name, legal family name, email address.

Once that information is provided and registered by the Tournament Organizer, the Roster of the Team is considered “Locked” until the next Transfer Window meaning that no changes of Players or Coach can be made before the next Transfer Window.

To facilitate Player and/or Coach transfers during Transfer Windows, to avoid poaching and encourage best practices across all Teams, the Team Data regarding Players and/or Coach availability during a Transfer Windows will be made available to License Holders within a Global Contract database managed by NADEO/UBISOFT.

If a License Holder appoints a Point of Contact to manage Player and/or Coach transfers on its behalf, access to the Global Contract Database will be granted to the appointed Team Staff. Any change of Point of Contact shall be limited in time and notified to NADEO/UBISOFT, being understood that any access granted will terminate once the duration of the appointment expires.

The communication to NADEO/UBISOFT of the aforementioned Team Data regarding Players’ and or Coach’s availability for a transfer and License Holder contract details constitute a legitimate interest for the protection of the integrity of the Trackmania World Tour and a material condition for the Team’s participation in the Trackmania World Tour. Any change in such Team Data shall be notified to NADEO/UBISOFT whenever a change occurs. Team Data for a given Player, Coach or License Holder contained in the Global Contract Database will be deleted from the Global Contract Database once said Player, Coach or License Holder leaves the Trackmania World Tour.

More information regarding the way NADEO/UBISOFT processes Team Data (including Personal Data), to enable Players’ Transfers during the Transfer window, is provided in **Section 8.3** of the Rulebook titled “Privacy”.

Each Team acknowledges and agrees NADEO/UBISOFT may be obliged to withhold Prize Pool payment in order to comply with a potential international sanction which may occur during a Season of Trackmania World Cup and that would be applicable at the time of the scheduled payment.
